RESPONSE TO RESTRICTION REQUIREMENT

Sir:

This is in response to the Office Action mailed January 27, 2003
(Paper No. 4) in regard to the above-identified patent
application.

REMARKS

1. Claims 1-50 remain in the application and are subject to a restriction requirement.
2. Applicants provisionally elect Invention I, claims 1-20 and 42-50, drawn to selecting a bearer service for communication between a mobile terminal and a mobile network.

For all of the foregoing reasons, it is respectfully submitted that all of the claims now present in the application are clearly novel and patentable over the prior art of record, and
